# Troops to Teachers Registration Form

## *Transitioning military personnel to new careers as public school teachers*

**Counseling and Referral Services.** If you are currently serving or honorably separated from active duty or the Selected Reserve including both the Air and Army National Guard you are eligible to register with Troops to Teachers for counseling and referral services. Upon completion of your registration you will need to contact the state(s) Troops to Teachers office(s) for counseling and information regarding certification requirements and referral assistance. Financial assistance may be available based on your registration category and being hired in an eligible or high-need school. Your record will be reviewed when we receive your employment information for possible financial assistance and you will be notified of documents required to validate financial eligibility and the application procedure to obtain financial assistance.

**Eligibility for Financial Assistance.** Individuals that qualify for the stipend must agree to become a full time teacher in either an eligible or high-need school for at least three years. Individuals that qualify for the bonus must be hired and agree to teach for three years in an eligible or high-need school. Selected Reserve personnel must also commit to continue in the Selected Reserve for an additional three years or until eligible for retirement, whichever is less. Individuals in the following categories whose last period of service is characterized as honorable may be eligible to apply for financial assistance:

- AD-2** Active duty member with approved date of retirement and has one year or less remaining before retirement.
- AD-3** Active duty personnel separated within the last three years for a service-determined physical disability. *Note: Physical Disability must be noted on service separation documentation not a VA determination. Medical discharge is not the same as discharge due to physical disability.*

### **Reserve Component**

- RC-2** Currently serving in the Selected Reserve with six or more years of creditable service towards retirement and commit to serving an additional three years or until eligible for retirement.
